Before and After Care Rates & Payment Plan

Annual Cost: Before Care is $1,250, After Care is $3,600, and Friday Care is $1,000 for the year. Registration is for the full year only.
Installment plan: To make budgeting easy, the annual cost is split into 10 equal payments.

- $125 per month for Before Care
- $360 per month for After Care
- $100 per month for Friday Care

Monthly rate: This is what each month actually costs, based on how many days we are open. Months with more open days cost more, and months with fewer open days cost less.
The installment is a payment plan amount, not the price of any one month.

If you skip a month

Your credit is the monthly rate for that month, not the installment amount. This means you may owe more or may be due a credit depending on the month skipped.

If you were to skip a month that is less than the installment amount, you will owe the difference on your next installment. If you skip a month that is more than the installment amount, you will be credited to your next installment date.

Monthly rates

Month	Days open	Before Care	After Care	Fridays	Friday Care
September	20	$148.81	$429.00	4	$133.33
October	21	$156.25	$450.00	4	$133.33
