SPEECH & LANGUAGE SCREENING PERMISSION FORM

Speech and language screenings are available at Northshore Christian Academy by on-site Speech-Language Pathologist Chrissy Nicolici, MS, CCC-SLP. The purpose of a screening is to determine whether there may be speech or language difficulties that should be further evaluated. The screening is voluntary and complimentary for each child. Results of the screening will be communicated to you via email and recommendations will be given if concerns are noted. Screenings will be scheduled during the school day at a time your child's teacher deems appropriate. Areas observed include:

- Expressive language development (how child expresses him/herself)
- Receptive language development (understanding/processing of language)
- Vocal quality
- Fluency of speech (i.e., stuttering)
